Procedure in Steps:

Stage-I:

- Guide and Topic Selection
- Organization Selection
- Submission of Synopsis in soft copy PDF format upload through LMS to the University
- Receipt of the Approval Copy in soft copy PDF

Stage-II:

- Commencement of the Project
- Project Submission in soft copy PDF format upload through LMS to the university

Stage-III:

- Viva Voce

Objective and Purpose

- The basic purpose of the Project work is to help learners develop an ability to apply multi-disciplinary concepts, tools and techniques to analyze and logically approach the organizational problems.
- The Project study should be on a topic preferably from your area of specialization in MBA

Credits, Evaluation and Duration of the Project

- Learners of MBA Online Programme will have to take up project work in the 4th Semester for the period of eight weeks
- Project Report carries 4 credits with maximum of 100 marks.
- Viva Voce exam on project report carries 4 credits with maximum 100 marks.
- The leaner has to attain minimum 40% to pass.
- The submitted report will be evaluated by an external examiner and grades are allotted, which are carried into the semester end examination, CDOE, Andhra University examination grade sheet.

Topic

- The topic for the project may be taken from any one of the following sources:
  - Comprehensive case study, covering single organization with multifunctional area problem formulation, analysis and recommendations.
  - Inter organizational comparison of performance in different functional areas including management practices.
  - Field Study/Empirical Study

Guide Selection:

- Faculty of Department of Commerce and Management Studies of Andhra University (OR)
- Faculty of Department of Commerce and Management Studies affiliated colleges (PG Courses) of Andhra University (OR)
- Resource Persons who are taking classes with MBA qualification (OR)
- Teaching faculties of Department of Management Studies (PG Courses) of any other universities located in Any State /Any Country (OR)
- Senior Executives holding Master's Degree in Management(MBA) with a minimum of 5 years of experiences.

(Note:

- Each guide shall not guide more than 10 learners
- Guide shall have specialization in the subject of study
- Enclose bio-data of the guide along with the Project Synopsis)

Organization Selection

- The candidate shall seek permission from any organization of repute having departments in the concerned area of specialization.
- The necessary permission from the industry/organization for the project work shall have to be arranged (facilitated) on his/her own.
- In case the Organisation requests to submit a Permission Letter from University, please raise a ticket in LMS and the concerned coordinator will arrange to send the Permission Letter to the candidate email or LMS which may be submitted by the candidate to the Organisation for Permission to do the Project work.

Duration

- The candidate has to spend a period of 8 weeks in the selected Organisation and complete the project work on the selected topic in consultation with your internal and external guides.

Project Proposal

- The Project Proposal should be prepared (Maximum 5 pages) in consultation with the guide.
- Submit by uploading the soft copy in pdf format to the program Coordinator, MBA Programme, Centre for Distance and Online Education, Andhra University, Visakhapatnam-3 through Learning Management System (LMS). (upload PDF). The proposal should clearly mention the title of the project guide name on the front page of the proposal

a) Title Page
b) Introduction,
c) Rationale for the study,
d) Significance or Importance of the study,
e) objectives,
f) methodology, sample size selection, statistical techniques to be used,
g) limitations if any,
h) profile of selected Organisation

Enclosures

1. Proforma duly filled on hard copy and signed.(Scanned enclosure) or digital signed not scanned enclosure.
2. Project Synopsis(Scanned is not allowed)
3. Guide Brief Bio-Data(Scanned is not allowed)

The above three in order make a file as pdf.

The pdf file shall be named with learner ID No. name-regd no.pdf

(Ex Raju-24C035MB001.pdf).

Guidelines for Proposal submission

- Learners are advised to upload through LMS in single PDF soft copy.
- If the proposed guide is not accepted by the University, the learner shall be advised accordingly.
- In such cases, the learner should change the guide and resubmit the proposal for approval.
- if a learner wants to change his/her guide after some time, he/she would be required to upload the project proposal along with the signature of the new guide on a new project proposal proforma.
- **Failure to submit Project Synopsis will be considered as absent and the candidate has to enroll next time.**

Contd…

- Proposals incomplete in any respect will straightway be rejected. Learners are advised to retain a copy of the synopsis.
- Communication for approval/non-approval of the project proposal will be notified to the learner within fifteen days of the receipt of the proposal.
- Communication of non-approval of the proposal will be accompanied by comments/suggestions for reformulating the project Proposal;
- the revised project proposal should be submitted in the new Filled Project Proforma and synopsis.
- A copy of rejected synopsis and project proposal proforma wherein the comments or suggestions of the evaluation are given should also be attached in resubmission.

Causes for rejection – Action to be taken by the learner:

- 1. Guide not eligible – Then change the guide.
- 2.Synopsis is not formulated correctly- then formulate it correctly
- 3.Synopsis is already submitted by someone- Then change the topic.
- 4. Same topic and Organisation already submitted and approved by another learner - then change the topic or Organisation.
- 5. Plagiarism - then re-formulate and submit
- 6.Scanned Copy- then type and make a file resubmit

The Dissertation report (Project Report) should consist of

i. Introduction: Review of Literature along with brief details of the organization's under study.

ii. Rationale, Statement of problem, Objectives of the Project, Scope of the study etc.

iii. Research Methodology: Research Design, Nature and Source of data/information collected, Sample and Sampling method. Details of the tools: The Questionnaire and other methods used, Reliability and Validity of the tools used for Data collection, Statistical tools used for Data Analysis, and presentation of the project, Limitations of the Project.

Contd..

iv. Policies and Practices of the selected topic in the organization.

v. Results and Discussion (Data Analysis): This should present the results in tabular or graphical format. The Interpretation of the data and results/findings may be given elaborately.

vi. Findings, Suggestions and Conclusion

- Reference/Bibliography and
- Annexures/Appendices (Questionnaire used etc.)

Submission of Project Report

- The length of the report shall be in between 60 and 80 double spaced typed A4 size pages (excluding appendix and Exhibits).
- One typed soft copy of the project report in PDF format only shall be uploaded in LMS before the due date as communicated by the University.

Fonts and Size

- One side typed
- One and Half size space
- 12 size for running text; 14 size for Heading
- Font Times new Roman

Sample Project Proposal Headings

- Title
- Introduction:
- Organization Brief:
- Need for the Study –Research Gap
- Research Questions
- Statement of the Problem
- Objectives – 5 objectives
- Hypothesis – 2 hypothesis

Contd..

Methodology:

- Research Design
- Universe,
- Population,
- Sample Size determination
- Sources of Data: Primarary source and Secondary Source
- Instrument for Data Collection:
  Questionnaire, Schedule
- Statistical Tools for Analysis
- Limitations: 5
- Presentation of the study – chapters 5 or 6

ENROLLMENT IN THE ORGANISATION FOR PROJECT

- Request Permission Letter will be provided on request by the learner through LMS
- Enroll in the Organisation
- Complete in 8 weeks
- Consult your guide for guidance
- After completion take the certificate from the Organisation

Dissertation Report Front Pages

- Title Page
- Approval Copy
- Project Synopsis
- Declaration of the Candidate
- Company Certificate
- Guide Certificate
- Acknowledgements
- List of Tables and Graphs
- Contents

Body of the Report

- In Contents(Sample)

First Chapter:

- Introduction,
- Concepts Review,(Review of the theory of the subject in detail)
- Need for the Study(Research Gap)
- Statement of the Problem,
- Objectives, Hypothesis
- Scope of Study

Second Chapter:

- Methodology
  - Research Design,
  - Sample Design
  - Data Collection Source
  - Instrument for data collection
  - Statistical Method
  - Data Analysis Method
  - Limitations

Contd..

- Third Chapter:
  - Profile of the Industry
  - Profile of the Organization
  - Concepts, procedures in the Organization
- Fourth Chapter: Data Analysis ; for each question present as follows
  - Question
  - Table
  - Graph
  - Analysis
  - Interpretation
- Fifth Chapter:
  - Summary with a brief of what you did and the findings based on interpretation and findings
  - Suggestions
  - Conclusion
